

# **Dingman's Dairy Online Web Ordering**

We understand everyone has a busy schedule, and we at Dingman's Dairy want to make your ordering process easier and more efficient. It's simply a great way for our existing customers to enter orders. This is not our Dingman's Dairy e-commerce site.

## Why Order Online?

- 1. You can enter orders at your convenience. (Please note that there will be a cutoff time for ordering products for your next delivery. If the cutoff time is not met, the order will process for the following delivery date/week.) If this occurs, please call our office @ 973-881-8622.
- 2. Start an order, save it, and complete the order later in the day.
- 3. Not sure what products we have, search through all products on the site.
- 4. If you ordered something in the past, you could look through your product history for items.
- 5. No extra charge for on-line ordering!

One-time setup.

Call our office to enroll today. It's very easy to do.

Our customer service team will have a link sent to your email, so you can set up an account.

When you are notified about **Web Ordering**, you will receive an email from:

<u>info@support.dsdwebordering.com</u> (check your junk and spam mail). Click on the link and follow the prompts. You will create a customer login and a password (passwords should be at least 8 characters, should contain a capital letter, a number, and a special character/symbol).

Save the link in your favorites, or create an application shortcut for you to access Web Ordering without any hassle.

If you need help, contact your sales representative and they will be happy to assist you.

Login in for first time:

Once you receive your link via email, go to your web browser.

If it doesn't open automatically, try the following address:
