Reduced Fat Ice Cream Mix 5% Butterfat UHT Hood

This is a lower fat soft serve. The mix is not made to create frozen novelties, though it works great when used in shakes, banana splits, cones and sundaes. This product works very well in environments such as a buffet or a self-service spot. The mix is available in vanilla. This is packaged in 2-2 1/2 gallon bags per case.

Reduced Fat Ice Cream Mix 6% Butterfat Galliker's

Same as the 5%, this low fat soft serve is great for shakes, banana splits, cones, and sundaes. This product is not made to produce frozen novelties. This mix is available in vanilla and chocolate. They are packaged in 4-1 gallon containers per case.

Premium Soft Serve Ice Cream Mix 10% Butterfat

This product is made with a high total solids content. The product mix is available for creating ice cream cakes and frozen novelties. This product creates a smooth and silky consistency. These mixes are available in the flavors vanilla and chocolate. These are packaged in 4-1 gallon containers per case.

Custard Mix 10% Butterfat

A top-quality "Classic Custard" soft-serve ice cream base. Crafted with egg yolks, this base surpasses the U.S. federal criteria for creating a genuine custard or French Ice cream. The Vanilla base features a soft golden hue and is extremely sought after for its use in soft ice cream production, or for creating premium gelato or frozen treats. Offered in vanilla and chocolate and our chocolate is made from top-notch imported Dutch processed cocoa. Packaged in 4-1 gallon containers per case and 2-2 1/2 gallon bags.

Hard Ice Cream Mixes

Hard Ice Cream Mix 16% Butterfat

The ultimate top-tier ice cream blend. Perfect for stores seeking the best ice cream mix on the market. Rich in fat and solids, with the first ingredient being cream. It creates an ice cream with an exceptionally smooth and creamy consistency. Which, is perfectly complemented by the ideal sweetness, to elevate the flavors you incorporate into it. This is packaged in two 2-1/2 gallon bags.

Hard Ice Cream Mix Chocolate 12% Butterfat

The top-tier selection for the finest, creamiest, and most indulgent chocolate ice cream blend. This chocolate blend is crafted to blend the highest quantity of premium imported Dutch processed cocoa, suitable for creating chocolate ice cream. This mix is very rich in taste. The consistency is velvety and smooth, offering a pleasant feeling in the mouth. It performs exceptionally well in any batch freezer, and retains its superior flavor regardless of the overrun level. Packaged in two 2-1/2 gallon poly bags per case.

Hard Ice Cream Mix 14% Butterfat

Crafted specifically to create an upscale, hard ice cream using a batch freezer. The recipe includes milk and cream, ensuring this blend ranks among the best in the market. It results in a velvety, creamy ice cream that offers the perfect texture. Our unflavored mix is packaged in two 2-1/2 gallon poly bags per case.
