COOP'S

ORIGINAL HOT FUDGE 11lb pails

Give your ice cream an ooey-goopy upgrade with Coop's award-winning, original hot fudge, artisanally made in small batches in Boston, Massachusetts. This fudge sauce features a deeply, rich chocolate flavor thanks to high-grade European chocolate and local dairy products, with a thick texture akin to brownie batter.

When heated, the sauce thins for an easy drizzle, but then thickens up again and becomes chewy upon hitting your ice cream, adding a satisfying textural element. Less cloyingly sweet, **with a deeper, dark chocolate flavor** compared to other brands you'd find in the grocery store. It's the perfect addition to any flavor of ice cream, or just eaten by the spoonful.

SALTED CARAMEL SAUCE 11lb pails

Once we mastered hot fudge, it was time to perfect its soulmate: caramel sauce. Made in small batches with copper kettles for better temperature control, Coop's Salted Caramel Sauce is crafted with pure dairy, cane sugar and salt for an addictive result. With a **deep caramelized flavor and precisely the right pop of salt**, this balanced sauce is an upgrade from what you'll find in the grocery store. Rich and silky with a sticky, satisfying pull, it drizzles flawlessly over ice cream while still staying creamy.

VEGAN HOT FUDGE 11lb pails

Handmade in small batches with high-grade European chocolate and silky coconut cream, Coop's Vegan Hot Fudge is the real deal. It's why VegNews called it the **"best ice cream topping of 2022."** Deep and dark, this indulgent sauce has just the right touch of coconut-y sweetness—unlike other sticky vegan versions that only taste like sugar. It's instantly rich and impeccably smooth, gooey right out of the jar but drizzly once warmed.

OREGON

CHERRY GROWERS

Quality Ingredients Since 1932

At Oregon Cherry Growers, we understand that meeting your needs takes a customer- focused partnership to create innovative, on-trend solutions with timing that generates a competitive advantage. Our industry-leading R&D team has the insight, experience and dedication needed to set you apart from your competition with fruit ingredients in the following forms:

Dried Fruits	Fruit Preps	Syrups	Fillings
Stabilized Fruits	Purees	Frozen/IQF	Glace

Our wide range of fruit ingredients are perfect for:

Dairy and Frozen Desserts

We have an extensive list of fruit ingredients for a wide range of Dairy and Frozen Desserts applications, including: ice cream, desserts, cultured dairy products, dips and dressings.

Bakery and Patisserie

As the innovation leader in our category, Oregon Cherry Growers develops fruit products the way bakeries and patisserie chefs want them: Ready to use/ready to sell, bake ready, dry mix, freezer to oven. Versatile fruit formats include stabilized fillings, purees, syrups, toppings, IQF, and glace.

Whether it's a Pacific Northwest cherry or a wild blueberry harvested in Nova Scotia, fruit evokes a "sense of place" or terroir- the influence of geography on a food's sensory qualities. Consumer association with "locality" holds tremendous appeal in upscale markets.

900-958-6838

The Oringer brand has a long standing tradition of providing high quality products that on-site producers of ice cream and milkshakes have trusted and relied on since 1918.

Oringer covers an extensive range of products - from ice cream bases, variegates, and toppings to milkshake and smoothie flavor syrups.
